Level Indicators: A1.1: Reads short texts to locate a single piece of information A2.2: Interpret simple documents to locate and connect information	
Performance Descriptors: see chart on last page	
Materials Required: <ul style="list-style-type: none"> • Pen and paper • Caliper Lake park map and map legend 	

Learner Instructions:

When people visit Provincial Parks, they will often use a map and its legend to find their way around the park. Use the attached map and its legend to answer the following questions about the Provincial Park map.

1. Highlight the route you would take from the park Entrance to camp site #75 according to the camp map.
2. On the park map, circle the nearest toilet to site #75.
3. According to the map, is site # 75 close to a tap? _____
4. Which campsites could you reserve if you wanted a site with electricity, but also near the hiking trail?

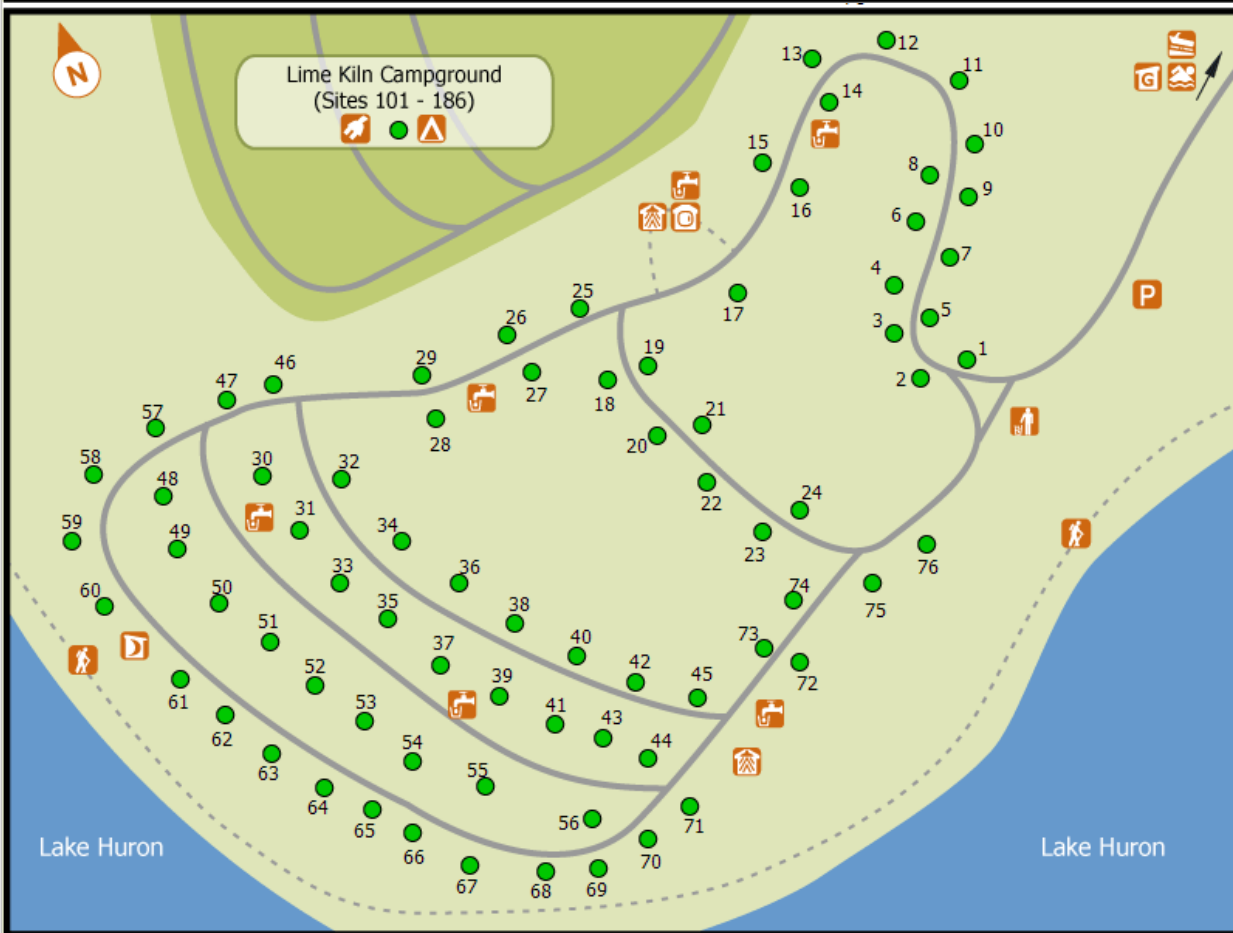

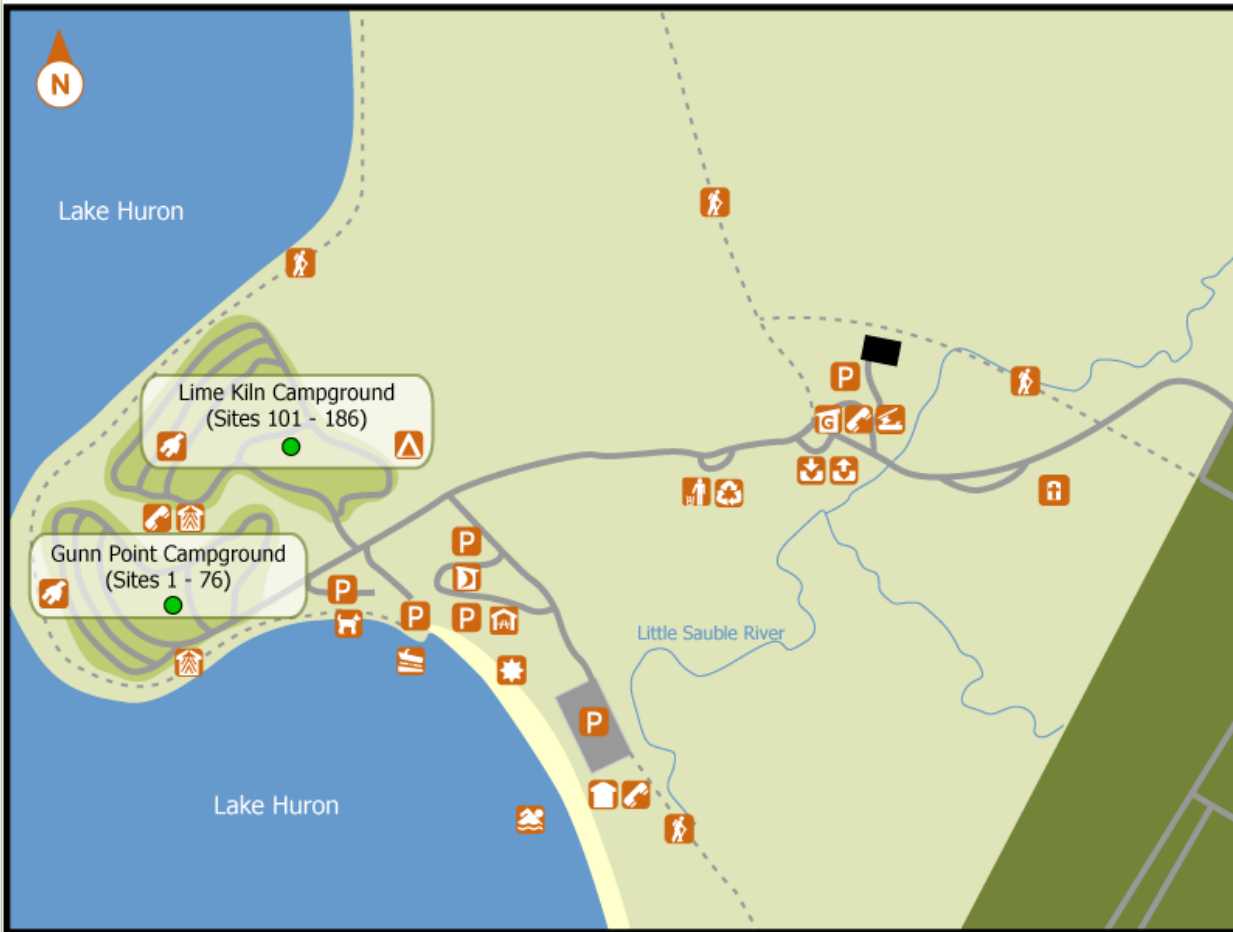

5. If you were using your own boat at this park, what place would you need to locate?

6. On the park map, circle the area where would you park your vehicle for an afternoon picnic.
7. According to the park map, how many pay phones are there in the park?

8. Circle on the map where you should camp if you were camping with a large group of friends.
9. On the park map, circle where you would go to have a shower.
10. On the park map, circle where you would go to get wood for a campfire.
