b) Explain why you chose this number.

Task 5: What does the acronym WSIB stand for?

Task 6: Where can you find a guide to complete this form?

Task 7: Why would you use this form?

Practitioner submitted task: Prepared for the Project, Teaching to Fish (Build Tasks) Integrating OALCF Task Development within Ontario's Literacy Programs (2014)

Task Title: WSIB Worker's Report Form 6

Answer Key

- Task 1:** The learner will find the form at www.wsib.on.ca and must decide how to find and download the form from the site.
- Task 2:** Circle the mailing address at 200 Front Street West, Toronto, ON
- Task 3:** A pen with black ink must be used on formal documents so that the information cannot be changed.
- Task 4:** This answer will depend on where the learner is located. If they are local to the Toronto area they should use the 416-344-4684 number. If they are outside the GTA (Greater Toronto Area) they should use the 1-888-313-7373. The learner should understand that this number is toll-free or no charge to call.
- Task 5:** WSIB stands for Workplace Safety and Insurance Board. It was formerly known as the Workmen's Compensation Board (until they acknowledged women worked too) and then the Workers Compensation Board.
- Task 6:** www.wsib.on.ca
- Task 7:** The Learner should know the form must be completed every time they have an injury or strain in the workplace. It is the law. Workers gave up the right to sue employers for injury on the job when this Act came into being. If they do not complete the form, there is no other recourse available to them if they are injured on the job.
