- Find and Use Information/Read continuous text/A1.2
- Find and Use Information/Interpret documents/A2.2
- Understand and Use Numbers/Manage money/C1.2

Performance Descriptors: See chart on last page

Materials Required:

• Paper and Pen and/or digital device

Learner Information

There are times when purchases cannot be paid for by cheque or credit card. An option is to get a money order from places like a bank or a post office. A money order is guaranteed by the bank, like a certified cheque.

Scan the blank money order.

Work Sheet

Task 1: What is the name of the bank listed on the money order?

Answer:

Task 2: Where is the bank located in Toronto?

Answer:

Task 3: What is the maximum amount of money you can send using the money order?

Answer:

Task 4: What type of dollars are paid by the money order?

Answer:

You have ordered birthday cards and wrapping paper from a mail order company catalogue. The company is Regent Gifts. This company does not accept cash or personal cheques. They only accept a credit card or money order as payment.

You do not have a credit card, so you must pay using a money order. The bank charges \$7.50 to issue a money order.

Task 5: If the birthday cards cost \$12.99 (tax included) and the wrapping paper cost \$15.99 (tax included), what is the total amount you must pay the bank?

Answer:

Task 6: Complete the money order by filling in all the blanks. Write in the total amount to be paid as well.

(Note: When you actually purchase a money order, the bank or post office fills in the amount to be paid.)

Answer:
